

National Board for Certification of School Nurses

NBCSN has some exciting news to share! After 3 years of incredible work as NBCSN's first Executive Director, Nadine Schwab will retire at the end of June. We are so appreciative of her leadership and her dedication to NBCSN and wish her much happiness as she begins her next journey in retirement.

We would like to extend a sincere welcome to Pat Krin, NBCSN's new Executive Director. Pat comes to NBCSN with 32 years of experience as a school nurse and school nurse administrator from CT. She holds a master's degree in Clinical Psychopharmacology as well as a MSN in Nursing as a CHNP/FNP. Pat has served in many leadership roles in school nursing both in the state of CT and NASN. We are excited to welcome Pat to NBCSN! Pat will join us at the NBCSN meetings at the NASN conference in Philadelphia in June. Please stop by our booth in the exhibit hall and welcome her!
